www.julienkessels.com

Engineering student from the 'Brussels School of Engineering' (ECAM) who has extensive knowledge in software development, web technologies and electronics. Quite interested and ready to participate to great engineering projects, Julien is able to accurately prepare and contribute to projects to the highest standards.

Education

2016-2017: Bachelor in Engineering, ECAM (Génie Electrique, Informatique),
3rd Year
2012-2016: Engineering, Université Catholique de Louvain
2005-2012: Lycée Aline Mayrisch Luxembourg (Latin-Math/informatics-mention bien)

Languages

	Listening	Speaking	Writing	Reading
German	C2	C2	C2	C2
Luxembourgish (native)	C2	C2	A1	B1
French (native)	C2	C2	C2	C2
English	B2	B2	B2	B2

Expertises

- Engineering
- Web and Software development
 - Creation of Android/iOS apps (more infos on www.julienkessels.com)
- Captors and electronic circuits
- Modeling (CAD)
- Process optimisation
- Analytical skills
- Probability and statistical analysis
- 1st price of Finite Elements Class
- Microsoft Office Expertise diploma

Key skills

- Team-player
- Flexible
- Computing skills
- Initiative
- Problem solving
- Communication
- Dynamic
- Stress tolerance
- Leadership
- IT skills
- Fluently speaking 4 languages

Personal

-Sports

Lifetime basketball and football player

-Music

Playing guitar for 12 years

Part of a musical band

-Computing

Creating IOS/Android applications, knowledge of C, JAVA, Objective-C, .NET

Creating Websites, knowledge of PHP, HTML, CSS, JS

Photoshop editing skills

-Organising skills

Planning and animating sport camps for children

Personal Info

Address : 6/306, rue des Liégeois
City : Louvain-la-Neuve
Postal Code : B-1348 Belgique
Date of birth : 09.12.1992
Sex : Male
Marital status: Single
Nationality : Luxembourgish & Belgian
